PUT A LITTLE SWING IN YOUR SOCIAL LIFE

If you are interested in playing golf and participating in a variety of social activities, then the Atlanta Singles Golf Association is for you. The ASGA is a non-profit organization whose goal is to provide singles with the opportunity to meet other quality singles through club-sponsored activities. Our calendar of events is filled with golf events, instructional clinics, and resort trips. In addition to golf outings, ASGA hosts a monthly social gathering and numerous other social activities each month. We are not professional golfers! ASGA is for those who want to have fun and to meet new friends. So put the swing back into your social life and join us at one of upcoming events!
